Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the

entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southernmost Homeless Assistance League, Inc., as of June 30, 2019 and 2018 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

(1) **Summary of Significant Accounting Policies**

**Organization**

The Southernmost Homeless Assistance League, Inc. ("SHAL") was incorporated under the not-for-profit statutes of the State of Florida to provide advocacy and supporting programs that reduce Homelessness in Monroe County, Florida. The Southernmost Homeless Assistance League, Inc. was the lead agency of a coalition that effectively distributes resources through a network of service providers to people who are homeless or at risk of homelessness in Monroe County until February 1, 2013. The Southernmost Homeless Assistance League, Inc. also operated the Keys Overnight Temporary Shelter (KOTS) and the Mobile Outreach Program (MOP) for the City of Key West.

The accompanying financial statements include only the accounts of the Southernmost Homeless Assistance League, Inc. The following is a summary of the more significant policies:

**Basis of presentation**

SHAL's financial statements have been prepared on the accrual basis of accounting and are presented in accordance with accounting principles generally accepted in the United States of America.

The financial statement presentation follows the requirements of the Financial Accounting Standards Board ("FASB") in its Accounting Standards Codification ("ASC") No. 958 Not-for-Profit Entities (Topic 958)-Presentation of Financial Statement of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources and the lack of consistency in the type of information provided about expenses. SHAL classifies its net assets, revenues and expenses as without donor restrictions or with donor restrictions based on the absence or existence of donor imposed restrictions. These classifications are defined as follows:

**Without Donor Restrictions**

Represent available resources for the support of current operations that are either temporarily or permanently restricted and are not subject to any donor-imposed stipulations.

**With Donor Restrictions**

Represent resources whose use by SHAL is limited by donor-imposed stipulations that are permanent, expire with the passage of time or can be fulfilled or otherwise removed by actions of SHAL pursuant to those stipulations.

(1) Summary of Significant Accounting Policies - (Cont.)

Basis of presentation - (Cont.)

The primary sources of revenue for SHAL consist of grants from governmental agencies which, absent a specific restriction by the grantor, are considered to be available for unrestricted use, and tuition fees. Grant revenue includes only that portion of the grant that was earned prior to the statement of financial position date. All grant funds received as of the statement of financial position date which are considered to be applicable to future periods are reflected as deferred income on the Statement of Financial Position.

The costs of providing the various programs and other activities have been detailed in the accompanying Statement of Activities.

Salaries and other expenses which are associated with specific program are charged directly to that program. Salaries and other expenses which benefit more than one program are allocated to the various programs based on the relative costs incurred. Administrative and other support expenses are allocated to the various programs based on each program's salary expense.

Support, Revenues and Expenses

Contributions received and unconditional promises to give are measured at their fair market values and are reported as increases in net assets. Southernmost Homeless Assistance League, Inc. reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Southernmost Homeless Assistance League, Inc. reports gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of Long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long lived-assets are reported as restricted support. Absent explicit donor stipulations about how long-lived assets must be maintained. Southernmost Homeless Assistance League, Inc. reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

SHAL adds the earnings from all awards programs, if any, to funds committed to the program to be used to further eligible program objectives and/or finance the local matching share of the program. Program income not used during the current period is deferred to future periods as refundable advance.

**Donated Materials and Services**

Donated materials are valued at their estimated fair value at the time of donation. Volunteer services are recorded at fair market values consistent with those amounts which would be paid to third parties or salaried personnel for similar services. Services donated by other organizations are valued at the employees' regular rate of pay.

**Refundable Advances**

Refundable advances represent grants received in the current or prior years which are restricted for specific purposes or to support the activities of subsequent years. Revenue is recognized only to the extent that related expenses have been incurred.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contingencies

Financial awards from federal, state and local government entities in the form of grants are subject to audit by the respective governmental agencies. INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors  
Southernmost Homeless Assistance League, Inc.:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Southernmost Homeless Assistance League (a nonprofit organization), which comprise the statements of financial position as of June 30, 2019 and 2018 and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated August 9, 2019.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Southernmost Homeless Assistance League's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southernmost Homeless Assistance League's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Southernmost Homeless Assistance League's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Southernmost Homeless Assistance League's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
